CLEP Voucher STEP-BY-STEP

<https://clep.collegeboard.org/register-for-an-exam/military-how-to-register-under-dantes>

1. **Choose an Exam:** Visit the <https://clep.collegeboard.org/clep-exams> and choose the exam you want to take. Go to the page for that exam to see what the exam covers, what it costs, and resources to help you prepare for it. (If you're familiar with several exam topics and having trouble deciding, no worries, multiple exams can be purchased during the same transaction.) Click the **Register** button, once you've decided on an exam

2. **Sign in to My CLEP:** To continue the registration process, you'll be asked to sign in to My CLEP student portal using your College Board account. If you don't have one, you should sign up for a new account.

Please note: College Board has updated all student accounts, including My CLEP student portal. If you didn't sign in to your account and verify your email before March 23, 2023, and you haven't already done so, you'll have to create a new account to access your saved information (your personal profile, test scores, etc.).

3. **Specify Your Military Status:** Review your address and contact information verifying that all information is correct. You're able to edit this information by clicking on the Your College Board profile at the bottom of the page.

If eligible for DANTES military funding, complete the requested information about your military status. MyCAA eligible military spouses will need their **MyCAA ID and FA #**

Optional Demographics questions are available.

4. **Make Your Exam Selection:**

- **You must first agree to the Terms and Conditions.** Be sure to scroll to the end.
- **Answer the "About Your Registration" question.** Answer "Yes" and enter your voucher code if paying with a voucher and "No" if paying with a credit card or are DANTES eligible.
- **Select the exam.** You're only able to select one exam subject at a time, but you'll be given the opportunity to register for another exam prior to check out.

5. **Select a Preferred Test Location:** You have the option of testing at a physical test center OR at a location of your choice via remote proctoring. DANTES funded test centers don't charge administration fees to military test takers. Use the **Test Center Search** tool and select the **DANTES funding eligible only option** in search results. All centers that appear in your search will have a DANTES funded tag in the test center type column. **State Fair Community College - Whiteman AFB - Whiteman Air Force Base, MO- Code 3589**

Like DANTES funded test centers, the \$30 remote proctoring fee for the first attempt at a CLEP exam is covered by DANTES. To take a CLEP exam with remote proctoring, you'll first need to make sure you meet all technical and environment requirements, including a strong internet connection, a PC laptop or desktop computer, and a private room to test alone.

6. **Practice Before Your Exam:** You're given the option to purchase an examination guide; however, after you identify as DANTES eligible in your account, the study guide for the exam you're purchasing will be automatically added to your account at no charge to you. At the end of this guide there are more study references.

7. **Send Your Score:** **Scores are automatically sent to the Community College of the Air Force (CCAF) for all DANTES eligible exams**, so there's no need to select CCAF as a score send option.

- When registering and prior to testing, you may select up to 2 additional institutions to have your score sent for free.
- If you don't want to select other score recipients click, "I want to wait to send my scores later," to proceed. (Your scores will automatically be sent to CCAF for eligible DANTES funded exams.)
- After you've taken your exam, you must pay a fee to send your transcript (score) to any institution. **Please note:** Self-funded score transcripts must be ordered from the My CLEP student portal. Ordering transcripts for DANTES funded exams must be completed using the Parchment Transcript Ordering Service and paying the required \$30 fee.

8. **Check Out:** Review and confirm your order prior to submitting your registration.

- **If you're a DANTES-funded test taker**, you'll see the price has been adjusted to \$0.00.

9. **Schedule Your Exam:** If you're testing at a physical test center, contact them to schedule the date and time of your exam. You will need your **CLEP registration ticket ID # (Voucher #)- State Fair Community College at Whiteman 660-563-3358**. If you're taking an exam with remote proctoring, visit the CLEP-Proctortrack website to set up a Proctortrack account and schedule your remote proctoring appointment.
